

Week 1 Homework

Homework Part I: Thought questions

Record your thoughts / answers to the following questions. We will discuss your responses in the next session.

1. Why do we take on tasks we can't do or responsibilities we can't handle?

2. How do you know if you are in over your head? What are the triggers?

3. Can a person with a technical background supervise a production worker and vice versa?

Homework Part II: DISC

Take the Extended DISC assessment BY **3 OCT** ! You will get your results at the beginning of next session.
