

## Homework – Week 9

### **Homework Part I:**

Identify a project in your workplace or your community / home that requires some planning steps – we will use your examples in class

### **Homework Part II:**

Find a copy of your organizations' Organizational Goals or Strategic Plan. What are the primary Goals and Objectives in your company? Is there a similar version of this for your Department / Division?

**Have some documentation or references to the material for the class to discuss and use in the next class session.**
